Curriculum Feedback Analysis and Action Taken Report

Academic Year- 2017-18

Stakeholder	Feedback	Action Taken
Student	Need more clarity on explanation for few subjects. Some of the Lab Equipment's are not working properly	Concerned teachers are instructed for taking more efforts with respect to teaching methods. The concerned departmental head will make sure that all the laboratory equipment's are in working conditions
Faculty	Hands on training for different simulation software's must be included.	Reported to University.
Alumni	All the students should be motivated towards research. Also more and more projects must be performed as per the society's requirement	The students are advised to take projects which will help society. All the students doing project are advised for publication of research paper on their project topic.
Parents	Quality of curriculum and methodology of delivering education should be raised to a level which enables students to easily pass competitive exams and just studying is to be replaced with learning	The institute advises faculties for using videolectures, ppts and webinars for effective learning

Subject: Suggestions for inclusion of content in syllabus

The Karmaveer Bhaurao Patil College of Engineering, Satara has its Stakeholder feedback policy and receives feedbacks from various stake holders like Faculty, Students, Alumni, Parents and Employers. Feedbacks received have suggestive modificationsin curriculum and its effective implementation.

Following suggestions which are based on our stakeholder's feedback may be taken into consideration while drafting the revised syllabus

1) Design tools like UMBRELLO & Star Schema can be included.
2) LATEX documentation should be included as a practical.
3) Practical's for OOMD should be considered.
4) Practical'sshould be included for the course Data Structures.

Its our request to kindly consider our suggestions for the syllabus revision.

Thanking You.
