Certification course on " Basics of German language"

German is one of the ten most spoken languages in the world. Some 185 million people worldwide speak German. You can still study in Germany even if you don't know German, but some knowledge of the language makes everyday life a lot easier and help you immerse yourself in the country. Apart from that, foreign languages are also increasingly sought after by employers. This certification course started from 16 August 2019 and 25 students have enrolled. Mrs. Trupti Sadavarte, former translator at IBM was the trainer for this course.

Mock interview For Final Year Students

Communication Skills have rapidly become the basic necessity for the students to be placed in the top most companies. H.O.D Prof. Ghatge D.D and Training and Placement Officer (TPO) Prof. Rathod M.N of the Department of Computer Science and Engineering are conducting Mock Interviews for the final year students to improve their communication skill which helps them in becoming a better professional.

Mock interview expert Mr. Sanir Kitur, Technical expert Prof. Dipali Ghatge and Miss. Sayali Phanase for Final Year Students.

Teachers Day Celebration

Teacher's day was celebrated on 5th September 2019 in the seminar hall of Computer Engineering Department on the eve of the birth anniversary of Dr. Sarvepalli Radhakrishnan .He Was a great philosopher, scholar, teacher and politician and his dedicated work towards education made his birthday an important day in the history of India. Teacher's Day was celebrated by all Second year, Third year and Final Year Computer Engineering students along with the staff members. Various activities beginning with felicitation of Dr. Sarvepalli Radhakrishnan and followed by the views of various students and the staff for the same.

CESA: Computer Engineering Students' Association Formation

CESA aims to inculcate among its members an awareness and appreciation of the various disciplines of not just Computer Engineering but also other relevant fields. By way of its activities CESA aims to be a platform for all the students of K. B. P. College Of Engg., Satara, in general and particularly of the students of Computer Dept. CESA seeks to be an active organization of the Computer department at Karmaveer Bhaurao Patil College Of Engineering, Satara, which promotes their career interests.

S.Y Fresher Party 2k19

On Saturday, 31 Aug 2019, the Computer Department of KBPCOE, Satara organized a freshers' party to welcome the new S.Y Computer students into the CSE Family. The Third Year and Final Year students took the initiative to put together a joyous celebration for their juniors. All the Second Year students introduced themselves and the seniors welcomed them into the Computer Department and CSE family with little gifts of pens and sweets. Many indoor games were held and spot prizes given. The Mister Fresher/Miss Fresher contest became the highlight of the party where, after many rounds, Mr. Aadarsh Jadhav was crowned Mr. Fresher and Najuka Lasure was bestowed with the title of Miss Fresher.

Inauguration Of Faculty Development CELL

CSE Dept. has formed Faculty Development cell for the betterment of the faculty. The objectives were as follows.

1. To arrange field visit, industrial visits for the faculties and staff.
2. To arrange various activities for all the members to strengthen the interpersonal relationships.
3. To arrange Training programs for the staff members to make them ready for changing syllabus.
4. To strengthen the professional competence of the faculty by arranging trainings, discussion sessions on different topics based on the demands.
5. To arrange FDP courses on various topics on necessity.
6. To arrange induction programmers for new faculty and leadership grooming for experienced faculty.
7. To encourage faculty members for various research practices.

DEPT. OF CIVIL ENGINEERING

Workshop on 3-D Structural Modelling

Civil Engg. Dept. organizes two days workshop on 3-D Structural Modelling using Etabs in collaboration with IIT-Madras on 26 & 27 July 2019. Overall 50 students from final year civil engineering department have enrolled for the workshop.

The opening ceremony program has started by offering flowers to Karmaveer Anna's photo. Head of Civil Engg. Dept. Prof. N.K Patil have felicitated and welcomed the trainer Vivek Singh from IIT-Madras and briefed the importance of the course in his introductory speech. The workshop was concluded a model design test & the top five students were selected for the next IIT level competition which will be conducted at IIT Madras. The activity was coordinated by Prof. D.B Kadam

Parent Meet

Parent meet is organized by Deptt. Of civil Engg. in academic year 2019-20 on 14/09/2019. For this parent meet students from Second year ,Third Year & Final year classes were communicated about this parent meet 20 Parents were present for this parent meet.

HOD & Faculty discussed with parents about the attendance, performance of the students in the unit test & departmental activities conducted and planned in the semester .Parent meet concluded with vote of thanks by Coordinator Prof. Mrs. U. V. Karande.

Swachh Sarvekshan Gramin 2019

The activity of Swachh Sarvekshan Gramin 2019 regarding Downloading the app and voting of students on app. was carried out on 14th & 17 September 2019. As per letter from The Chief Executive Officer, Zilla Parishad, Satara. The activity was coordinated by Prof. Desai S.B. Prof. Gavale A.R. & Mr. Nimbalkar V. S.

Teacher's Day Celebration

The teachers day was celebrated in the dept. on 6th Sept. 2019 in the presence of Hon. Principal, all the faculty members and staff by the CESA (Civil Engineering Students Association) in our dept. Seminar Hall. Hon. Principal, Head of the Dept. and Prof. Bonde and also few students expressed their views on this occasion. The program was started with offering flowers to the images of Dr. Sarvalalli Radhakrishnan and Dr. Karmaver Bhaurao Patil, Founder of Rayat Shikshan Sanstha, Satara

Guest Lecture

A Guest lecture on "Steel Structure Design Based on Plastic Analysis Method and Limit State Approach" by the resource person Mr. Shambhuraj S. Patil, Structural Consultant and Engineer, Satara, is arranged to cover the Module No.6 of the syllabus for the subject Design of Steel Structures and the various contents of the module covered during the lecture are Plastic Analysis, Hinge Formation, Collapse Mechanism, Recent approaches in steel Structure design based on plastic analysis method and limit state approach, Introduction to provisions in IS 800-2007.

All the students were attended the lecture and the analysis and design by Plastic Method and Limit State Approach is practically understood by them by this activity. The activity was coordinated by Prof. Mahadar A.A.

HONOUR OF FACULTY

Prof. N.K. Patil, Head of Civil Engg at KBP College of Engg. Satara received an award on the occasion of combined function of Teachers day and Engineers day function on 14th Oct. 2019 for his contribution to the Society.

DEPT. OF MECHANICAL ENGINEERING

Inauguration function of Mechanical

On occasion of Inauguration function of Mechanical Engineering Students Association (MESA) on 30th Aug.2019, Mr. Jaydeep Bafana addressed about "Scope of Electrical Vehicles in Future". He spoke about the benefits of Electrical Vehicles. He said that Electric vehicles in India have opened ample business opportunities for automobile companies within the country and across the globe. He announced the live project on "Retrofitting of Electrical Vehicles" which will be sponsored by the Mutha Group.

On the same occasion Mr. Rushikesh Parekh said that, to become successful Entrepreneur students should achieve technical skills, management skills and personal skills. He shared his story of becoming a Successful Businessman. Also he shared his different experiences.

Another guest Mrs. Shashikala Pawar , HR Manager, Mutha Group of Foundry, guided students about various aspects of personality development.

Speech on "Scope of Electrical Vehicles in Future" by Mr. Jaydeep Bafana, Director, Mutha

Speech on "Personality Development" by Mrs. Shashikala Pawar.

Speech on "Entrepreneurship Skills" by Mr. Rushikesh Parekh Businessman, Satara

Engineer's day celebration

Speech by Mr. Rajanikant Upadhyay, TATA Technologies, Pune

Speech by Mr. Anil Dhole, TATA Technologies, Pune

On occasion of Engineers day celebration MESA organized two expert seminars on "Developing Ideas in to Product & Business" by Mr. Anil Dhole, TATA Technologies, Pune and "Recent Trends in Automobile Design" by Mr. Rajanikant Upadhyay , TATA Technologies Pune on 20th Sept 2019.

They shared their knowledge regarding how to convert new idea into product & start their business and the softwares used in the automobile industries.

Late K.A.Gandhi Memorial Lecture on 'Electric vehicles & skill Development

Session on “Brief Journey as a Entrepreneur” by Mr. Sudhir Suryawamshi Owner, M/s. Suryawamshi Group of Industries, Baramati on 10th Oct 2019

Expert lecture on “Practicing Lean Manufacturing in MSME” by Mr. Sameer Uplap Partener, Suyash Enterprises Satara on 11th Oct 2019

Expert Lecture on “World Class Quality”by Mr. Ashish Kadam, GM, Quality Audits & Post Sales, Tata Motors, Pune on 10th Oct 2019

Expert session on “Challenges to Engineering Graduates” by Mr. Pravin Shirke Corporate Operators-Projects, Raychem RPG on 10th Oct 2019.

Session on “Expectations from Graduate Engineers” Mr. Surindar Ambardar, President, MAS on 11th Oct 2019.

Speech on “Electrical Vehicles & Skill development” by Dr. K. C. Vora, Sr. Deputy GM ARAI Pune on 11th Oct 2019.

DEPARTMENT OF LIBRARY

Library Orientation Program

The Library orientation program was conducted on 14/08/2019 for newly admitted F.Y.B.Tech. students. The objective of the program was to introduce different library facilities & services provided to the students. Librarian; Prof.Umap M.H. introduced students library rules, Book Bank rules, circulation rules, digital library rules & how to register for I-card & borrower's card. It is also explained by the library

staff how to use WEBOPAC and user tracking software. The students were introduced how to access e-resources of the library.

The students took the round of the library & visited the different sections such as digital library, periodical section & bound volume section .The queries of the students were answered by the library staff. It is also told them which documents to be kept till final year.

Celebration of Librarians day & opening of Library User Tracking

The birth Anniversary of the father of Library Science, Dr.S.R.Ranganathan is observed as National Librarian's Day. The central library of the Institute celebrated librarian's day on 12th August in the library. The opening ceremony of the user tracking software was organized on this occasion by the department of Library.

The activity was successful with the cooperation of Principal, Library committee Chairman, HODs, faculties, students & library staff. The efforts taken by librarian and library staff to make this event successful were appreciated by Prof. Patil S. S. At the end of the function, the formal Vote of Thanks was offered by Shri. Nalawade S. V. to the Principal, all the faculty, students, management and Library staff for the huge response and cooperation.
