To provide education to the people from remote places, tribal, rural, semi-urban and urban areas by establishing educational institutions. To provide education to all the classes of society, especially to the downtrodden, economically and socially backward sections of society. To provide education to women by establishing girls' schools, highschools and colleges.

		<ul style="list-style-type: none"> • To provide training and quality improvement of teachers and non-teaching employees of the Sanstha. • To enrich the dignity of labour and to make arrangements for providing education against manual labour. • To promote the acquisition of knowledge and to offer opportunities for upgrading the knowledge, training and skills in all fields of human endeavour by developing educational network with use of modern communication media and technologies. • To promote among the students a sense of equality, national integration, social justice and to act as a catalyst in socio-economic transformation for national development. • To make arrangements for promoting healthy atmosphere, corporate life and welfare of students and employees.
29	Vision of the organization	<p>Education to all the classes of society, especially to the downtrodden, economically and socially backward sections of society</p> <p>There is a need to reconsider the present education at all its levels. The globalization and liberalization have changed all the concerns and references. It is necessary to deviate from the traditional methods and use the new methods and technology for imparting education. In view of this the Rayat Shikshan Sanstha has actively started the process of adjusting with new trends.</p> <p>Objectives of the Sanstha:</p> <ul style="list-style-type: none"> • The quality improvement programmes at 10th and 12th levels for strengthening teaching-learning. • Making changes for improvement in quality merit right from 4th std. onward through various teaching aids and resources. • Orientation and training programmes for the teachers on the new methods and techniques of teaching. • Providing at least one job oriented course to the students along with conventional university courses/degrees. • Starting courses specially for girls in all colleges to make them self reliant, to stand on their own. • Introduction of system to prepare students competently for competitive examinations. • Framing new short term courses related to management studies. • Making MS-CIT course available to know the needs of BPO services and for the preparation of

		<p>software. MOU with bio-technology institutions and universities.</p> <ul style="list-style-type: none"> • Paying attention on the changes occurring after 2005 and retaining leading position of the Sanstha in the process of modern education.
